A. & N. V. Entertain Men From Overseas

Friday evening, August 11th, the Army and Navy Veterans of Canada, Unit 46, were hosts to those men residing in White Rock, who have returned from overseas.

The Ladies Auxiliary provided a delightful banquet at which over 150 persons were seated. Comrade P. C. Sanford, of Vancouver, proved to be an able toastmaster. Comrade H. A. Downey, 1st vice-president, Unit 46, proposed the opening toast to the Provincial Convention, in which he outlined the mandate in which he received by Unit 46 in purchasing and financing of the hall. Comrade Percy Lewis, J.P., Provincial President and H. E. Warburton, J.P., Provincial Secretary, responded.

The second toast was proposed by Reeve J. Brown, Cloverdale, to the returned young Yets, who were present. Pte. Buster Walker, Gnr. A. C. Gant, Pte. W. Parkes and L/Cpl. Bobby Breach responded and were presented with the Army & Navy membership badges. Regret was expressed that Flying Officer "Punch" Thompson, DFC, and bar, was unable to be present owing to his being honored the same evening by the Kimsen in New Westminster; Pte. Sgt. S. C. Fennell and Sgt. Brockhurst were also made welcome.

Tom Reid, M.P., proposed a toast to the Surrey Unit 46, in which he congratulated the members on the success that they had made, regardless of the skeptical view of the general public towards their efforts. Comrade Wm. Evans, president of Unit 46, responded.

Wm. Simmonds, past president S. Vancouver Unit 26, proposed a toast to the Ladies Auxiliary, con-

gratulating them on the success they too, had made; to which Mrs. Henry, president of the Ladies Auxiliary responded with a message of courage to the Mothers and Wives of those boys Overseas.

Songs and tap dancing by Mr. and Mrs. George Bouvete and daughter, Delores, was immensely enjoyed and were brought back for repeated encores. Mr. Lambie, who is our local Artist, presented an original selection of sleight of hand tricks which were extremely amusing. The regular orchestra, Chris Jordan's Colonials, that have played for the A. & N. Dances since last fall, donated their services for the dancing which followed.

RANGERS PARADE

A parade of the Pacific Coast Rangers, 92nd Company, was held Sunday morning with Capt. Frank Hassall in command; fifty officers and men were present at the rifle range on the new McCallan road, coming from Fleetwood, Finlayland, Cloverdale, White Rock and Colebrook, for rifle and Sten gun practice. The range and practice was inspected by Col. A. L. Cooke, commandant of the Fraser Valley area, who said that he was pleased with the work the Rangers were doing, and that their numbers in British Columbia totalled 15,000.

Shirley, the home of Mr. and Mrs. V. Haraway for many years, has been sold to Mr. C. C. Thomson, who is at present, working in the Home and Garden store, recently opened. Mr. Thomson was formerly in the hardware business at Shoal Bay, B. C.

Our Town

Walter H. Clark is the new Rural Mail carrier.

Wednesday opened the fishing season, Capt. Hassall and F. W. Kennell and others who were out report a good catch. Now we may be hearing some good fish yarns.

Mrs. Walter Barber, from Medicine Hat, Alta., and her sister, Mrs. Currie, from Portland, Ore., are staying a week with Mrs. T. G. Angus and visiting around with old friends.

Rev. and Mrs. Sam Cassells expect to be moving the middle of this month into the house they have bought on Buena Vista from Dr. Thorne, who is going to Vancouver to live.

On Sunday, August 6th, the Kingsway branch of the Army & Navy Veterans held their annual picnic at White Rock. They used the hall of Unit 46 for their headquarters during the day.

Over fifty from this district have registered for the boat picking that starts from here on Monday, August 21st. Many youngsters are taking advantage of this to earn a little money before school starts.

The bay presented a magnificent sight during the early hours of Tuesday morning when the water was all aglow with a phosphorescent light. The water was rough enough to add charm to the scene.

Mrs. L. Hooley, of New Westminster, with her friends, Mrs. Thomas Howells, and Mr. and Mrs. J. Hooley, Sen. of Edmonton, were week end visitors in town staying at the White Rock hotel.

Dean Pickers please note that the time of starting has been postponed to 5 o'clock Tuesday morning instead of Monday when Mr. Bayes' truck will pick them up at Colclouth Villa and the G.N.R. depot. Refer to the advertisement.

White Rock Still Forges Forward

White Rock was again well advertised by Mrs. Greenwood, of our local lawn bowling club, through the fact that she won the women's singles in the Intercity Lawn Bowling Tournament at Victoria, defeating Mrs. A. W. Stewart of the Victoria Burnside club by a score of 16 to 2. Mrs. Greenwood is to be congratulated on the grand showing she made throughout the whole tournament, as to reach her final triumph, she had to defeat many keen bowlers.

The cup emblematic of the competition, was on view on Wednesday at our local greens, when Mrs. Greenwood was received with great enthusiasm.

The ladies link, from the Semi-ammo club, also did their share, by winning three games out of five, losing their section by only one point.

At home, Mr. Calderbank successfully defended the club lutton against Mr. Halzod.

Amongst our visitors last week were: Mrs. Kirley, of Comox, Mr. J. S. Ashton, of the Burnaby L. B. C. also Dr. W. V. Dixon, of Calgary, Alta., as well as Mr. E. Badke, of Winnipeg.

The hostesses last week were: Mesdames Sandstrom and Work, but owing to the doubtful weather, there weren't many on hand to partake of the good things that they served.

AT OTTAWA by TOM REID, M. P.

The Prime Minister's subtle juggle, unique in the history of people who have headed governments, took precedence on August 17th. He was congratulated by all the Party Leaders of the House. The House did not sit that evening. A very largely attended Banquet marked the occasion at which several presentations were made to the Prime Minister.

The Bank Act was finally passed. The Bill was introduced on May 1st. This is no ordinary Bill. It renews bank charters for ten years, it confers on the banks very great powers, is the legal basis for all which has to do with credit and currency and deposits and loans. It provides the mechanism by which the whole industrial and commercial community and governments in part, are financed.

Many Quebec and Alberta Members were absent owing to their Provincial Elections. Alberta elected a stronger Social Credit Government than previously. Mr. Duplessis will form a National Government in Quebec as the result of Tuesday's vote. The Bloc Populaire will hold the balance of power as will the prospect of an other election before very long would seem a natural sequence. The C.C.P. party elected very few Members in these Provincial elections, although they claimed a great many would be elected.

The Gratuitous Bill amounting to \$750,000,000 was the final legislation to come before the House, either on its principle or on the Bill. It met with an opposition either on its principle or on the liberality of its provisions. The view was expressed that it ought to include, merchant seamen, ferry command pilots and members of the auxiliary services. The Prime Minister said that failure to include these classes in the Bill did not mean that they were to be ig-

TWO NEW BUILDINGS

Plans for the concrete foundation of the two stores to be erected by Mr. F. J. Hanslow and Mr. H. K. Watson on Washington avenue, are in position. Recently the site was levelled off and some blasting had to be done, which broke several windows in the houses back of the property. The building operations will proceed according to the material available.

REGINALD VOSE

A tragedy occurred Sunday afternoon on the Peace Point Golf course, when Reginald Vose, who was playing golf, suddenly collapsed. He was a former accountant.

nored for all time but the Government had felt that the Bill should be confined to providing gratuities for the armed services. It was made clear that draftsmen would not receive it for the time they have served in the home defence army but if they volunteer to go overseas or are sent abroad by the government, they will receive the gratuity on the basis of such time as they spend abroad.

Housing Bill was passed. Mr. King indicated he favoured a Canadian flag. The Family Allowance Bill passed the Senate after a hot debate, owing to Premier Drew of Ontario stating his government would do everything within its power to see the measure did not go into effect.

Parliament stands adjourned till January 21, 1945 unless public interest requires that the House should meet at an earlier time.

"Human pride is human weakness. Self-knowledge, humility, and love are driving strength."

Volunteer Labour

It has been very gratifying the response given to the appeal for volunteer workers on the farms during this time of lack of regular farm labour. Among those who have volunteered, many have not done any farm work, and it has been a pleasant experience for them, though perhaps not always easy going. It has taken them out into the open air, and did them a lot of good as well.

At this moment the Emergency Farm Labour Service has put out an appeal in this district for bean pickers, the response has been good. School children have made up a fair number attracted by the chance to earn a little extra money, on their ability depends the amount they will make.

All this shows how the majority of people are willing to do their bit when the necessity arises. There is always a willingness on their part when approached in the proper manner, and their good characteristics come out in greater force. There has been a blot here and there as farmers in some instances have not been as co-operative as they might be after all the effort that has been done to help them out.

Theatre News

"Up in Arms" starts off the week. A gay, glittering, glamorous Technicolor, tune and fun film starring Danny Kaye, Dinah Shore and Dana Andrews. It's a klutzy, wacky riot when Uncle Sam drafts the world's most hilarious hypochondriac. A guy who took a job as elevator operator in a medical building so that he could have rush service on his imaginary ailments. He had everything and more of it than anybody. It's a G.I. riot of rhythm and romance as Danny Kaye turns khaki Casanova to keep thirty-four gorgeous Goldwyn girls "Up in Arms".

Also showing Sweden's Middle Road (March of Time), Daily, Sweden's defiance of Nazi Germany becomes more bold. What is back of this new contempt for the Nazi overlords of Europe? See the answers in this new exclusive film.

For the end of the week it is Jane Eyre, starring Orson Welles, Joan Fontaine and Margaret O'Brien. In a screen classic taken from Charlotte Bronte's beloved novel "Jane Eyre". What was the dark secret of Rochester's past that made him shy away from the lovely ex-orphan who came to his home as a governess? The sweet and beguiling Jane Eyre runs away when she learns the secret, but returns when she has a premonition that Rochester needs her. She finds that his crazed wife has perished in a fire and they are free to marry.

Also showing a Variety of Short Subjects, News and Cartoon.

And you travel with the maximum possible comfort in these busy days.
